

WARMINSTER MALTINGS

**Committed to  
quality, service  
and perfection**

## **See for yourself.**

Cargill Craft Malt is proud to announce that Chris Garratt, Head Maltster of Warminster Maltings, will be joining our booth as a guest during the 2018 Craft Brewers Conference. Please stop by to meet him, ask questions and find out why Warminster still makes their award-winning malt by hand using methods that are centuries old.

Contact us to learn more and get your new ideas brewing.
